COLLARS

For cooling pipes

Product informations

Double screw collar, with excellent insulating and mechanical properties with reinforced groove and fixing nut applied by welding; the collar is ideal for fastening thermally insulating pipes made of steel, copper or synthetic materials and complies with the most commonly used insulation thicknesses.

Thanks to the quick safety lock on one side, assembly is quick and easy!

Technical Features

- Rubber hose holder with PIR core (Polyisocyanurat)
- Forlen rubber
- Diameter: Ø 13 mm or Ø 19 mm

Installation instructions

The pipe collar must be positioned horizontally during mounting operation to avoid traction and pressure.

SKU	MODEL	PRICE
00000012300	COLLAR - 13 X 12 MM	€4.5 VAT EXCLUDED
