## TECNOBREEZE SOFT WIND

Air curtain

### Product informations

**TECNOBREEZE SOFT WIND** the elegant, compact and silent air curtain, suitable for any environment; it allows to maintain a constant temperature inside the environment, also avoiding the entry of contaminated air flows from the outside. Its moving electrical parts are guaranteed for operation over 5000 hours.

### Product features

- compact structure in aluminum, powder coated and anti-corrosion
- direct ventilation air flow that creates a double air barrier
- equipped with highly silent isometric fans, for any type of environment
- complete with 2 speed remote control
- maximum height from ground: 3 m
